FINAL TEST - 2024 Regional Advocate Elections

2024 Election for Regional Advocates for the Judge Foundry. Please see [our article on the election process](#) and [the list of candidates](#).

You can rank any or all of the candidates. Rank your candidates from rank 1 for your most preferred, to higher numbers for your less preferred. Ranking multiple candidates does not harm the chances of your most preferred candidate being elected.

Regions are included on the ballot even if there is only one candidate.

For more information about Judge Foundry Elections, please see our site at <https://blogs.magicjudges.org/jfelections/>

The following information is required by Minnesota Law:

- The quorum for this action by ballot is 10% of the members entitled to vote. We have 648 voting members, so the quorum is 65 submitted ballots.
- There is no minimum number or percentage of votes to be elected as Regional Advocate.
- This ballot must be received on or before [July 18, Anywhere on Earth](#), in order to be counted.

Your choices are secret and cannot be accessed by the administrator.
